FALL *Female* SALE

1PM CST • SUNDAY, NOVEMBER 30, 2025 • MEACHAM, SK

Lakeview Simmentals FEMALE SALE

SUNDAY, NOVEMBER 30, 2025 ♦ 1PM
Meacham, Saskatchewan

WELCOME FROM *Transcon Livestock...*

Welcome to the Lakeview Simmentals Production Sale! We invite you to join us on the farm in Meacham SK for lunch before the sale begins.

Curtis has been dedicated to breeding polled Fullblood cattle for many years, with females sold across the Prairies. These females have consistently received excellent feedback from their new owners for their production and quality. You'll find a very honest and hardworking group of bred heifers on offer—no extra pampering here!

When I toured the herd this summer, I was thoroughly impressed by the first-calf heifers—strong calves at side, excellent feet and udders, and all in great condition. It's a true reflection of what these cattle are capable of. If you're looking for polled Fullblood females that offer tremendous value, this is definitely a sale to watch.

If you can't attend in person, feel free to reach out to any member of the Transcon team—we're always glad to assist.

Hope to see you on sale day!

ONLINE BIDDING AVAILABLE

WELCOME FROM *Lakeview...*

What a year it has been to be in the cattle business. Decent rainfall in this area and a good feed supply has helped. Record high cattle prices could well be a sign of the future.

The cattle market wants calves with frame, and Simmental cattle can do that. It takes a big frame to make a steer that dresses out at 1,000 lbs, and feed lots want just that!

This year I am selling most of my bred heifers. I wanted a calving ease bull for those heifers so I bought a PPB bull. DESS CAN AM 160M. He has incredible EPP's for calving ease, growth and milk. He went out April 4 and was pulled May 4th. He had 30 heifers and I was afraid he was playing out. Virginia Lafleur 4F (a bull with 65 lb. BW) went out to clean up. It will be easy to tell the difference between a PB and FB calf. He was pulled June 26th. If there is any doubt on the sire, I will pay for the DNA test.

For the last few years, I have moved from a winter-time calving only to fall-calving as well. Fall calving begins around Sept. 1st.

This year I have 3 black extra age heifers with a lot more size. All 3 are top quality. Also there is a small group of yearling fall born heifers that can either be bred this fall or kept open for spring time breeding.

In closing, take time to enjoy these terrific prices. It is a great time to be in the cattle business.

I look forward to seeing you at the sale.

-Curtis

THE *Mattson* FAMILY

Arlin and Hilary (nephew), Nathan (Chelsey's partner), Dave and Brenda Schaffel (brother-in-law and sister), Curtis, Shelley and Dennis Rosaasen (sister and brother-in-law), Ben (Tamara's husband), Breanne and Leslie (niece). Kneeling: Chelsey (niece), Tamara (niece). Great niece and great nephews: Milo (twin), Jasper, Murphy (twin), Sloane and Nels.

THE 2025 *Processing* CREW

Arlin, Hilary, Curtis, Brenda, Dave, Dennis, Chelsey (kneeling), Skip and Patch.

A LITTLE HISTORY ON THE HERD SIRES I HAVE USED IN MY PROGRAM OVER THE YEARS...

OAKVIEW POLLED WRANGLER - was the high selling bull out of the Genetic Source 2010 bull sale. He was very deep and thick and added that to his calves. Great disposition also.

DOUBLE BAR D ECLECTIC - was one of Dimler's high selling bulls out of their 2012 bull sale. He added dark red colour and good udders to his daughters. He was very deep and long with a great disposition.

SUNNY VALLEY DAKOTA - was high selling FB bull out of Sunny Valley's 2013 bull sale. Tim McVicar and I were able to buy him in 2014 and got some very quiet cows with good udders.

PLEASANTDALE ATLAS - was a black blaze faced bull that gave me cows that raised very good calves too.

KEET'S DEXTERITY 2D is a Homo polled FFFB and was one of the high selling bulls out of the Advantage Sale in 2017. He gave me cows with very good udders and good dispositions as well.

SUNNY VALLEY CONGO 61C - was a Homo Polled black blaze faced PB bull. He was used on a few of the PB cows around here and gave me performance calves.

VIRGINIA LAFLEUR 4F - is a Polled FFFB bull that came out of the Bull Spectrum Sale. This bull is very deep and thick. I used him on heifers because of his 65 lb. birth weight. He gave me heifers with good udders and plenty of milk. He passes his quiet disposition on to his daughters.

LAKEVIEW HAGAR 48H - is a Double Polled FFFB bull who is a Lafleur son that I really liked. He has given me some very good dark red heifers that are in this sale.

KEATO PLD BEN HUR 951G - is a Homo Polled FFFB bull that was the high selling bull out of the 2021 Red Deer County bull sale. This bull will add length and frame to his calves. Very good disposition.

KEATO PLD HURBACUS 060H - is a Homo Polled FFFB bull that was the high seller out of the 2022 Red Deer County Bull Sale. I had a very good group of calves from him this year.

ERIXON HARTFORD 53H - is a Polled black blaze faced PB bull out of Erixon's bull sale in 2021. This is a calving ease bull that I used on heifers and had very good luck. His calves are born small and hit the ground growing.

KEET'S JAVELIN 56J - is a Homo Polled FFFB Junior Herd Sire. This was one of the high selling bulls out of the Bridge City Bull Sale. This is a performance bull that is very quiet and easy to handle.

J-BAR KAYENNE 23K - is a Homo Polled FFFB bull that I bought at the Red Deer county Bull Sale. I bought this bull from Jayden Warren to use on heifers. His EPD's are very high for calving ease. All the heifers in my sale this year are bred to him. This bull is dark red, dark hooves and large goggles.

Quiet heifer with the blaze face the black industry is looking for! 3/4 Fleckvieh will add extra milk and will add extra length.

Exposed to DESS CAN AM from April 4 to May 4, 2025, then exposed to Virginia Lafleur 4F till June 26, 2025.

FALL BORN OPEN FEMALES

These fall born open heifers are all Full Fleckvieh. They can be put into a fall breeding program or kept to be bred in spring. These were the top cut of the fall born heifers. Pasture born heifers can be high-headed but these heifers were handled a lot and are very easy to handle.

Thank You
FOR YOUR INTEREST IN THE SALE!

**Fullblood 2 year old heifers with bull calves.
These are sisters to heifers in the sale**

terms and conditions

TERMS - The terms of the sale are cash, cheque, e-transfer, or wire and are due at the time of sale, unless other arrangements have been made between buyer and seller prior to the sale. Transcon reserves the right to charge interest at a rate of 2% per month on overdue accounts. The right of property shall not pass until after settlement is made. Transcon Livestock Corp. reserves the right to require a certified cheque as settlement before releasing any sale cattle. Should any purchaser fail to settle for their purchase Transcon Livestock Corp. reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released. Transcon Livestock Corp and/or the Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner or Sale Managers.

BID - No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted.

SALES TAXES - Applicable sales taxes will be charged on semen, embryos, and trucking fees (if listed), respective to the home province of the buyer, not the seller.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INSURANCE - Each animal becomes the risk of the purchaser at the time of sale and should be insured. Animals returning to the seller's farm must be insured.

US BUYERS - There is an additional charge (approximately \$300.00 US dollars) that will be applied to each animal purchased. This covers documentation, vet inspections/ testing required to export. This cost does not include transportation or brokerage which is the responsibility of the buyer.

CATTLE PICTURES AND INFORMATION PROVIDED - The images in this catalogue are believed to be accurate representations of the individual animals and the information contained in this catalogue is provided by the seller and believed to be true and accurate. Transcon Livestock Corp. and catalogue designers/producers assume no responsibility if the images and/ or information as received have been altered or is inaccurate.

ANNOUNCEMENTS - All announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state. Transcon Livestock Corp. assumes no responsibility for the health status of any animal in the sale.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

TRANSCON LIVESTOCK CORP. IS AGENT ONLY - It is to be clearly understood that Transcon Livestock Corp. is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations. Neither does Transcon Livestock Corp. assume any financial obligations to collect or enforce collection of any monies between parties. Any legal action that may be taken, in exceptional cases, must be between buyer and seller.
