Veterinary Work: **Bovi-Shield Gold One Shot, Ultrabac 7/Somubac & Ivomec in the fall, as well as have been on the Bovi-shield Gold Program since birth. VBP+ and knife cut.**  
 Implants: **Revalor G boosted in January**  
 Bid Basis: **F.O.B. Ranch**  
 Price Slide: **30**  
 Feeding Program: **42% corn silage, 10% chopped hay, 45% barley, 3% supplement**  
 Weigh Location: **Simplot scale in Leader**  
 Weigh Conditions: **4% AM**  
 Delivery: **Next week**  
 General Comments: **VBP+, 100% home-raised from a REPUTATION operation! This is the sorted heavy end of the Resch Ranch steers! These boys are lighter fleshed than the pictures and video will show. The Ressh Family is doing a good job of putting frame on these crossbred steers and will have lots of pounds available for you to put on! Check out the pics and video! You get a great sort and these steers that will check a lot of boxes! You will love the length in these steers! +/- with sort to fill 2 loads.**

Price Slide: **30**  
Feeding Program: **Backgrounding ration (straw, silage, barley & supplement)**  
Weigh Location: **Local truck scale**  
Weigh Conditions: **4% AM**  
Delivery: **March 2nd - 5th**  
General Comments: **Take a look at these fancy Black X steers from a reputation ranch that always does a great job! This top cut of steers have good frame, lots of bone and muscle, and a great coat of hair. These steers have been grown out nicely on a background ration and have been very healthy. They are ready to be pushed. We can sort a load to go East or stay West. They are very handy to get at just off Hwy 2.**

Implants: **NO IMPLANTS**

Bid Basis: **FOB Farm**

Price Slide: **50**

Feeding Program: **30 lbs TMR (18% barley, 10% ddd's, 12% straw, 29% alfalfa silage, 30% corn silage, 1% vitamin/mineral supplement with Monensin)**

Weigh Location: **Farm certified ground scale**

Weigh Conditions: **Gather in AM, sort & weigh less 4%**

Delivery: **Week of March 16th (will accommodate trucks)**

General Comments: **Very good, lighter-fleshed, clean, quiet disposition crossbreds with hair, capacity & muscle! Mid weight, mostly younger sort of the Char X steers from this reputation ranch! By Stepler, Beck & Sparrow Charolais bulls out of home-raised Red Angus, RA x Sim, RA x Char & tan cows. Developed right to perform on grass or feed & on the rail. Guaranteed no stags or bulls. +/- from 470 in the Char pen (700+ steers born in '25) to fill two tridems east or west. Caught weight Tuesday morning, be 15 - 20 weighing 820 lbs, should be close. Have a look at the pictures & videos taken February 23rd. Don't miss 'em!**

Feeding Program: **20%barley/silage ration**

Weigh Location: **Ranch ground scale**

Weigh Conditions: **4% AM off empty bunk (weigh 10 at a time on the ground)**

Delivery: **Next week**

General Comments: **Reputation Westview home-raised steer calves! Everything is done right here, good vaccination protocol and steers all knife cut. Young May born calves that have been wintered lightly and have all of the good left in them. Cattle are quiet and nice to handle. There will be one bobtail steer in the group. Might be two steers a touch lighter, than my called minimum weight.**

Veterinary Work: **Bovi Gold One Shot, Ultrabac 7, Ivomec**  
 Bid Basis: **DELIVERED ANYWHERE IN ALBERTA**  
 Price Slide: **30**  
 Feeding Program: **25% rolled barley, 10% oat hulls, 60% corn silage, 5% haylage**  
 Weigh Location: **On the ground at the ranch**  
 Weigh Conditions: **4% on the ground**  
 Delivery: **Middle of March**  
 General Comments: **Back to the north country for another good set of cattle from Chris Bartel! A nice set of heifers that are either home-raised or bought from the neighbors. Good quality, good stretch and lots of frame. Nicely backgrounded and not over fed. Chris feels that there is a good chunk of these girls that are good enough to breed. As always, these cattle are priced delivered anywhere in Alberta. ANRP.**
