

Gladstone Auction Mart Presents:

BLS Ranch Annual Yearling Steer Video Sale

Tuesday September 15th, 2026 (After the cows and bulls)

Total Head: 65 **Sex:** Steers

Bid Weight: 925lbs with a .30 slide (Cattle have all been test weighed)

Weighing Conditions: Weighed on a certified scale at the farm with 4% shrink. Weight spread 120 pounds (890-1010lbs)

Breed Description: 63 black and BBF, 2 RWF

Frame Size: 90% Large 10 % Medium

Flesh Condition: 90% Medium + 10% Light

Quality: 100% Good 10% Medium

Here is a nice uniform tri load of home raised steers. These steers have been on full vaccination program. Steers were backgrounded through the winter and put onto grass this spring. No bulls, stags, or horns. This is the top sort out of 126 steers. All 126 steers will be at farm time of pickup.

Pick up arrangements: Steers can be picked up at the farm (half mile down highway 50, 15 minutes east of Gladstone) starting Wednesday September 16th to September 20th. Arrangements for pickup must be made at least 24 hours in advance.

Phone bidding is available, please make arrangements with Blaine by 9am sale day.

Owner: Marshall Sneesby 1-204-856-6765

Cattle Described by: Manger, Blaine Huston 1-204-750-4206

Please note buyers fee will be applied for video sale cattle.
