Status:	Normal If a vehicle does not have a status of rebuilt, salvage, non-repairable, or altered, it is considered to have a normal status. "Normal" is simply a term used for the purposes of vehicle registration. A normal status does not mean the vehicle has never been damaged or is in good mechanical condition. Vehicle status alone does not fully describe a vehicle's mechanical condition or damage history.
Vehicle Imported: (from outside B.C.)	NO

Estimate

This is only an estimate of the cost to repair the vehicle. It is not a payment. For more information, please see the *Statements of Limitation*.

No Details

No Details may display if ICBC:

- does not have an estimate of the vehicle's damage and
- has not made a payment with respect to the damage (e.g., has not paid for repairs or made a settlement).

For more information, please see the *Statements of Limitation*.

You should consider having the vehicle inspected by a qualified mechanic.
