NATURE WALKS & RIDE ALONGS

Breathe in the crisp air on a nature walk through our forest, or ride alongside one of our guides through the valleys on a side by side.

SPA TREATMENTS

If you are looking for a little pampering, we are happy to assist with making reservations in town for massages, facials, and manicures.

CRAFTED CUISINE

Our on-site chef prepares local New Zealand cuisine, paired with exquisite wines and whiskey. Indulge in a perfectly roasted lamb, tender steaks, fresh juicy fish, and organic vegetables. We alter your food preferences to best suit your needs, and make your experience unforgettable.

We start each day with a continental New Zealand style breakfast. Enjoy a freshly brewed cup of coffee paired with muffins, toast, cereal and fresh fruit. After your morning hunt, you will feast on a typical cooked New Zealand brunch.

Throughout the day you will enjoy feasting and snacking on charcuterie boards, kiwi dip and crisp New Zealand wine.

End your evening with organic venison. You are able to indulge in spectacular meats and mouthwatering sides, finished with a divine dessert.
