**Our mission is to continue to earn a reputation of integrity, premium service, and diversity that is unmatched in our industry.** We believe all of our hunters and our non-hunting clients deserve the best and with our packages we are dedicated to exceeding your expectations. Exclusive Adventures is unrivaled in what we do and we take great pride in giving our guests the best possible hunting trip of their lives.

**How are we different?**

### **OUR HUNTING**

Not only is your hunting guaranteed, but we hunt on multiple private properties allowing true, fair chase hunting on diverse landscapes and opportunities on multiple world class trophy animals. Also, as your outfitter and host, I will be heavily involved in all aspects of our trip to ensure it is to the highest standard possible, arranging everything to suit your needs. All species can be hunted from our one lodge and I will personally be assisting in guiding and ensuring the Exclusive Adventures' 100% success rate is obtained.

### **OUR LOCATION**

We are very proud of our luxury accommodation, which is enhanced by our lodge's location being in close proximity to both hunting and other non-hunting activities. Our guests can glass animals from our garden and are just a short drive into popular ski town Wanaka. We are perfectly situated for our non-hunting guests who have the choice to accompany our hunters, stay in comfort in our secluded and private lodge, or use our tour guide to experience the local resort towns – shopping, day spas, vineyards, scenic attractions, horse riding and more. Our ideal location ultimately minimises your daily travel time and maximises your experiences.

### **OUR PERSONALISED EXPERIENCE**

At Exclusive Adventures, we aim to focus on quality which not only allows you and your family to be our teams' main priority and leaves you feeling spoilt with our genuine New Zealand hospitality, but also welcoming you in as part of our family. Our team of staff all are selected for being knowledgeable, highly skilled, mature, and personable. We restrict the number of clients to maintain these high standards to ensure your stay is not overcrowded, but instead personalised, intimate, and exclusive.

### **OUR CUSTOM ITINERARIES – NOT JUST FOR HUNTING**

At Exclusive Adventures we are equipped and vastly knowledgeable to be able to create a full holiday itinerary that isn't just about hunting. Whether it's fishing in scenic Fiordland or relaxing on the beaches of the North Island...You are visiting one of the most beautiful and diverse countries in the world, so take advantage of it. Let us do the hard work of designing your custom travel plan. I am totally committed to providing you with an excellent quality service and taking you on a hunt of a lifetime, giving you a truly Exclusive Adventure that you deserve.
