Recall #: WQK-47 | BRAKE LINE CORROSION Recall Date: 2014 Jul 15

Recall Description

On certain vehicles the center and rear brake lines may become perforated due to corrosion. This would cause a leak in the brake system potentially increasing stopping distances which could increase the risk of a crash causing injury and/or damage to property.

Remedy

Subaru will inspect and test the current condition of your vehicle's brake lines. If they are found to be acceptable anti-corrosion material will

be applied to the areas of concern as a preventative measure. If any of the lines are found to be unacceptable they will be replaced and anti-corrosion material will be applied to the new brake lines. These repairs will be performed at no cost to you.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact SUBARU or visit Subaru's website. (<https://www.subaru.ca/WebPage.aspx?WebSiteID=282&WebPageID=21091>)

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.
