INTREPID SAFARIS WELCOMES YOU

Over the past 23 years, Intrepid Safaris has grown into a well-established safari destination with our own private ranches and a 5-star lodge. Each year, we continue to improve our services and expand our concessions to offer our clients the best possible experience.

We're also excited to announce the recent acquisition of a brand-new ranch, which will soon be available for hunting - in addition to our main ranch, home to the renowned Intrepid Lodge. When we started Intrepid back in 2003, we had nothing but a dream. Today, that dream has become a thriving, multi-country operation with our own ranches, lodges, and a dedicated team of passionate staff - along with hundreds of happy clients from all around the world.

We now offer hunts for all Southern African species and also conduct safaris in Botswana, Mozambique, Tanzania, and Zambia. The 2025 hunting season was another incredible year. We were thrilled to welcome back many familiar faces and meet many new clients. We're proud that 75% of our clients return, and most new clients come through referrals - something we're truly grateful for. None of this would be possible without our loyal and trusted clients. You are the reason we do what we do. And above all, we give thanks to the Good Lord for His continued blessings.

*Wishing everyone all the best,
The Intrepid Team*

ACCOMMODATION

Your accommodation will depend on the safari or tour you choose and ranges from authentic tented hunting camps to luxurious game lodges and charming guesthouses.

A client favorite is The Intrepid Lodge. A family-friendly retreat featuring air-conditioned rooms, a cozy bar and lounge area, a swimming pool and spa, Wi-Fi, and daily laundry service.

Our goal is to ensure you're taken care of in every way. From enjoying first-class cuisine paired with some of South Africa's finest wines, to sharing good company and stories around the campfire.

BIG BOSS CAPE BUFFALO

Nothing matches the thrill and adrenaline of a Cape buffalo hunt. Pursuing this magnificent animal is one of the greatest adventures you can experience. As Robert Ruark famously said, "They look at you like you owe them money!"

At Intrepid Safaris, we take buffalo hunting seriously. Our clients have enjoyed a 100% success rate on big bulls. Many of them record-book trophies.

CONCESSION AREAS

All our concession areas in South Africa - covering more than 200,000 acres - are privately owned preserves, each managed under its own game management plan. This ensures an abundance of high-quality trophy game across all our locations. We've expanded our operations beyond South Africa, offering

safaris in several of Africa's most sought-after destinations, including Botswana, Mozambique, Tanzania and Zambia. Each safari is customized to meet the specific needs and preferences of every client. Our hunts take place on both large private preserves - including our own - and select government concession areas. We cater for all types of hunters, offering rifle, bow, and handgun hunting. Every hunt is conducted on a fair chase basis, ensuring a truly ethical and authentic safari experience.

JACOB GARRETT

Intrepid Safaris was a great place for our second African safari. The lodge is a beautifully landscaped and staffed, 5-star resort. After a long day hunting, this oasis is your home base you look forward to each afternoon. This group of guys are great people and treated us like old friends from beginning to end. If you are after a big cape buffalo, this is the place for you. If you are willing to put in the time in the field, this crew will make dreams come true.

CREWS MILLS

Out of all the places I've wanted to travel, Africa wasn't at the top of the list. That was until I met Phillip. At the SCI show, he answered all of our questions and even followed up the next morning with a phone call to see if we had any more. We booked the hunt, and it turned out to be one of the most wonderful experiences we've ever had.

Everything was perfect. The food was great, the quality of the animals was amazing, and our guide was extremely attentive to everyone in our group. I would highly recommend this place to anyone interested in wanting to go on a hunt in Africa.

FROM A WOMAN'S POINT OF VIEW

AMY HOLT

As a woman going on her very first safari hunt, I wasn't sure exactly what to expect - but my experience with Intrepid Safaris exceeded anything I could have imagined. The communication and coordination leading up to the trip were seamless, making the planning process stress-free.

I was blown away by the gorgeous accommodations, incredible food, and the warm, welcoming atmosphere. It was clear that no detail was overlooked. The quality and genetics of the animals at Intrepid Safaris were simply unbelievable - truly world-class.

As a first-timer, I felt completely comfortable and supported throughout the entire journey. This was more than just a hunt - it was the trip of a lifetime, filled with adventure, learning, and memories I'll cherish forever.

I wholeheartedly recommend Intrepid Safaris to anyone - especially women - looking for a safe, professional, and life-changing safari experience. I can't wait to return!
