

May 16 / 33.

Dear Mr. Groves;

Sorry not to've been able to answer your good letter sooner, I've been very busy.

I will be glad to inscribe the books you have of mine. If you send them to me before the end of this month, to 1636, North Gardner street in Hollywood, Calif. I will take care of them. After that time I'd advise sending the books by express to Billings, Montana.

Very Truly Yours,

W.J.

Will James.
