## CROCODILE BAY CERTIFICATE PROGRAM

**CROCODILE BAY** Crocodile Bay provides a limited number of "Stay and Fish Donation Certificates" annually to aid nonprofit organizations in their fundraising efforts. Managed by their preferred booking agent, Costa Rica Fishing & Adventures, this donation program ensures direct coordination with your successful bidder. Organizations can auction these certificates at their fundraising events without any financial risk.

All donation requests are processed through Costa Rica Fishing and Adventures. They will provide the Trip Certificate to the organization for its event. The organization sets a reserve on the trip at half the maximum value of the resort stay. If the trip sells, the organization pays Costa Rica Fishing and Adventures within two weeks after the event, keeping any excess funds raised above the reserve.

The successful bidder will contact Costa Rica Fishing and Adventures for personalized planning and support from start to finish, including the San Jose transfer package, as needed.
