

Kobus Meyer Safaris — About Us

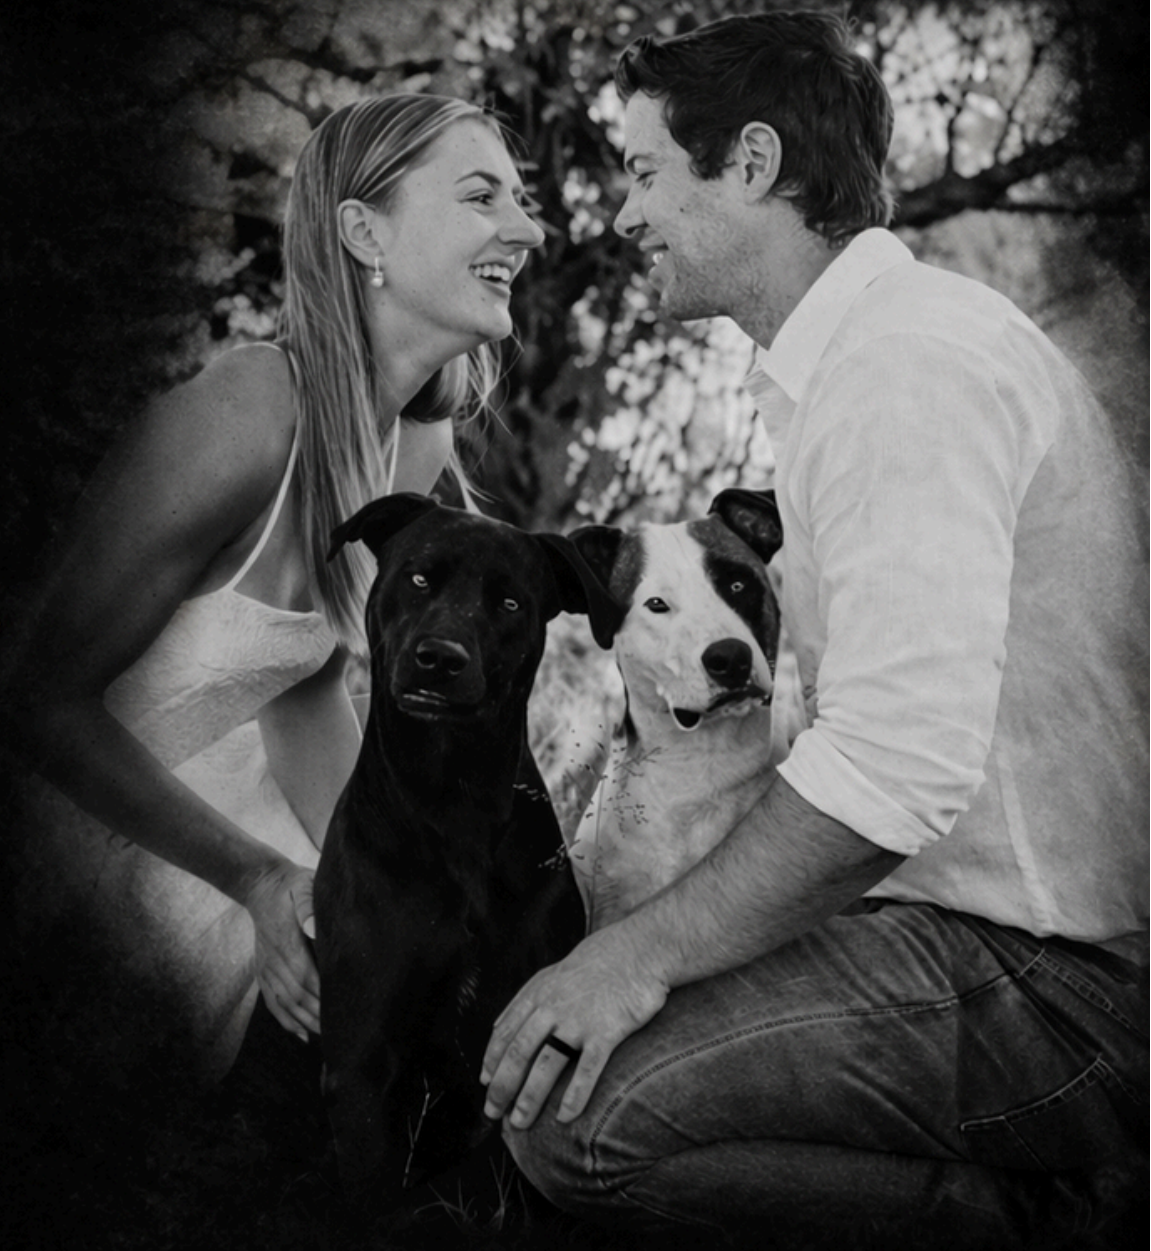

Built on tradition, *Kobus Meyer Safaris* is more than just a hunting operation — it is the continuation of a proud family legacy.

Our story begins with my grandfather, *Jacobus P. Meyer*, who conducted his first Big 5 hunt in 1977 in the Zambezi Valley. From that moment on, hunting became part of our family's identity. He remained dedicated to the craft throughout his life, passing away at the age of 89 while still holding a valid Professional Hunting license. My father, *Bertus Meyer*, carried forward the legacy.

Following in their footsteps, I, *Kobus Meyer*, together with my wife, *Cara*, founded *Kobus Meyer Safaris* with the vision of offering authentic, ethical, and unforgettable African hunting experiences.

Hunting is not just something I do, it is who I am!

At *Kobus Meyer Safaris*, tradition meets experience — every hunt tells a story.
