This vehicle history report is based on [information](https://www.carfax.ca/vehicle-history-data) (https://www.carfax.ca/vehicle-history-data) that was reported and available to CARFAX Canada as of March 13, 2026 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Vehicle History Report (BC)

Accident/Damage

There are no police reported accidents, estimates, or claims reported on this vehicle, however, we found other damage records that are outlined below.

Other Damage Records

RECORD DATE	DETAILS	AMOUNT
2018 Feb 23	British Columbia, Canada	
	Glass Record	\$898.62
2020 Oct 11	British Columbia, Canada	
	Glass Record	\$84.00
2021 Oct 1	British Columbia, Canada	
	Glass Record	\$80.25

Registration

This vehicle has been registered in the following locations in **Canada** (listed oldest to newest):

- In the province of **British Columbia** with **Normal** branding.
- In the province of **Alberta** with **Normal** branding.

We checked for: Inspection Required, Normal, Non-repairable, Rebuilt, Salvage and Stolen.

Open Recalls

Recall #: R0126 | CANISTER INSPECTION AND REPAIR Recall Date: 2017 Jan 09

Recall Description

Hyundai is conducting a recall to inspect and if needed, repair the evaporative emission canister on certain Model Year 2012 through 2016 Veloster and Veloster Turbo vehicles, and on certain 2011 through 2015 Sonata Hybrid vehicles. During winter months, large quantities of salt are used to de-ice roads in Canada. Road salt and water can corrode the bracket holding the canister in place; as well as the seal within the canister. This can result in the need to replace these components and if necessary, the canister itself. Should the evaporative emission canister sustain damage, gasoline vapors may be released into the air.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact HYUNDAI or visit [Hyundai's website](https://recall.hyundaicanada.com/). (https://recall.hyundaicanada.com/)

Recall #: R0246-1 | Anti-lock Brake System (ABS) Module Recall Date: 2024 Apr 01

Recall Description

Issue: On certain vehicles, brake fluid could leak into the control module for the antilock brake system (ABS) and cause it to short circuit. Safety Risk: A short circuit could create a fire risk, even while the vehicle is parked and turned off. Corrective Actions: Hyundai Canada will notify owners by mail and advise you to take your vehicle to a dealership to replace the fuse for the ABS module. Hyundai Canada recommends that you should park your vehicle outdoors and away from other vehicles or structures until the recall repairs have been completed.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact HYUNDAI or visit [Hyundai's website](https://recall.hyundaicanada.com/). (https://recall.hyundaicanada.com/)

ICBC Disclaimer

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and relicensed
- wrecked vehicles that have been decommissioned and can only be resold for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://apps.icbc.com/registration/vchr/Limitation.html>.

ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
